*Pictured Above - School Aged Child Care Program at JAE, participating in the Soccer Shots character and physical development program.*

NSYC hosted Soccer Shots at our School Aged Child Care Programs for the month of November. Soccer Shots programs are filled with games and activities that are age appropriate and designed to keep kids moving. Soccer Shots helps children, through soccer, to develop important character traits and self confidence while being introduced to the skills needed to play the game.

**We are offering child cared during December break, please see page 2.**

### December 6th
