Dear Parents,

During these blustery February days remember that North Shore Youth Council offers a warm place for children and families!

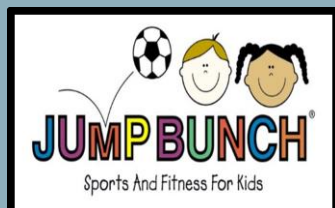

Throughout the coming months we will be hosting open gym nights, open mic nights for teens 15+, and a family service night in Rocky Point making blankets, sensory friendly rec night and more!

Please visit our outreach tables at all our child care locations both before and after school. We have a plentitude of resources and program information to share with you.

Thank you again for your continued support of our scholarship fundraiser. All monies raised will go directly toward helping offset the cost of college for four local teenagers; there will be four \$500 scholarships-one to each of the districts we service; Rocky Point, Mount Sinai, Miller Place and Shoreham-Wading River.
