## NEWSLETTER

OCTOBER 2015

Dear Parents:

Fall is in full swing here at NSYC and we have a lot going on! Our school age child care programs are working on some fall crafts and counting down the days until Halloween! The children in the Shoreham-Wading River district are working on some fun crafts with yarn. If anyone has yarn that they would like to donate, we'd be glad to take it off your hands!

While the weather is nice we will continue to play outside as much as possible. Please make sure to send your child with a jacket and sneakers.

### NSYC BRINGS STUDENTS TO MEET THEIR LEGISLATOR

On October 15 NSYC will be bringing some members of our Youth Advisory Committee to "Student Day at the Legislature." These students will have the opportunity to meet their legislator, tour the building, and have a mock debate. This event will leave the students with a better understanding of our government and will be a great

experience for them. We hope they leave happy, excited, and ready to change the world!

### FRANK J. CARASITI STUDENTS "GO GOLD"

Students and staff members at the Frank J. Carasiti Elementary School participated in their first "Go Gold" event to raise awareness for Pediatric Cancer. The event was organized by NSYC school counselor Jamie Adamski and two other FJC teachers. Everyone was encouraged to wear gold or yellow to show their support.

**WELCOME TO THE NYSC FAMILY!!!**

Country Road Middle School. She hopes to make students more aware of the dangers of drugs. Since its beginning in 1985, the Red Ribbon has touched the lives of millions of people around the world. In response to the murder of DEA Agent Enrique Camarena, angered parents and youth in communities across the country began wearing Red Ribbons as a symbol of their commitment to raise awareness of the killing and destruction cause by drugs in America.

### **Halloween Celebrations**

At NSYC we love to celebrate Halloween with your children!! However, we'd like to take this opportunity to remind you that if you are going to bring in snacks please check with the site supervisor to make sure you bring in snacks that are allergy-free. We don't want anyone to feel left out as they celebrate with their friends.

Have a Happy and Safe Halloween!!!
