

Helping youth and families cope in today's changing world

North Shore Youth Council

November 2015

Dear Parents,

As we continue through this very busy time of year it has been a fun-filled month at North Shore Youth Council. The Big Buddy/Little Buddy mentor training has been completed and the program will begin at Frank J. Carasiti very soon. The Little Buddies cannot wait to meet their Big Buddies!

Throughout the month of October, the Child Care Programs were busy crafting and celebrating the Halloween season. As we move forward into the Thanksgiving and Holiday seasons keep up-to-date on current events through our website and Facebook page.

Big Buddy/Little Buddy Training
 The North Shore Youth Council provided training for high school students who will be mentoring children at Frank J. Carasiti Elementary School. Training took place at the Rocky Point VFW on October 19th and 20th. Our cross-aged mentoring program matches a high school student with a younger student for support and guidance. Mentors are also available during child care programs. Inquire with the office if this is something you would like for your child(ren).

If you would like to adopt a family for Christmas, or you need assistance for the holiday season please contact the office as we are beginning to plan for the Holiday Assistance Program.
