Dear Community Members,

We hope 2015 has gotten off to a smooth and wonderful start for you and your families! Here at the North Shore Youth Council we have been enjoying all sorts of fun! NSYC offers excitement for all; from Zumba and Kung Fu classes, Science Adventures, Bridge Club, and Art Lessons in our School Age Child Care Programs to the Open Mic Nights, Friday Open Gym Rec. Nights, and Magic the Gathering Tournaments! Come join us and have fun while building a strong youth community.

Do you need a babysitter? Do you wish there was someone that would be able to help you shovel your driveway? Does your child need a tutor? If you said yes to any of these questions, please feel free to utilize NSYC's Job Bank Service. This service is provided to connect parents, homeowners, and businesses with local teens looking for work. If you would like to offer a local teen a job, please call us to provide us with the details. If you are a teen interested in a job, fill out a job bank application & return it to our office. Applications are available online at www.nsync.com or you can call (631) 744-0207 to contact Marcie for more information.

NSYC offers evening counseling services for those families in need. Please call our offices at (631) 744-0207 for more information.

Registration options for the February School Break Fun Days at NSYC are now available at all SACC sites and at the NSYC office. Please sign up if needed, space is limited, so first come, first served.

KIERA MOORE

This month's staff spotlight is on Kiera Moore. Kiera is an intern at North Shore Youth Council's School Age Child Care Program in her home district, Shoreham-Wading River, where she attended After Care as a child herself. She enjoys getting to know the children there and likes playing and interacting with them. In her spare time, she enjoys babysitting and teaching children to dance at All Star Dance Academy in Wading River. She loves all styles of dance, however, Lyrical and Ballet are her two favorites. The children in Miller Avenue love to dance and learn with Kiera!

As a senior at Shoreham-Wading River High School, she is getting ready for her graduation this year! Kiera is interested in Early Childhood Education and has applied to colleges. She would like to stay local and continue keeping close ties to her community.

Thank you Kiera for making a positive difference in our community! You are a wonderful role model for the children!
