JANENE GENTILE, EXECUTIVE DIRECTOR

Dear Community Members,

We hope this newsletter finds you safe, warm, and cozy during this cold and snowy winter! March is here and Spring is right around the corner! In our School Aged Child Care Programs, **March and April are Family Career Months!** We would like to invite our parents and family members to come in and share what they do at their jobs. This will allow for our children to expand their ideas about their future career roles. Thank you to all of the hard workers that have already signed up to share!

Please be sure to check out our **recently renovated website at www.NSYC.com**. Find links to helpful information as well as links to your local schools and community websites. **Online registration is now just a click away!** Enter all of your information electronically! Medical Forms are also available to print from home.

Attention Parents of Teenagers: Would your teen like to volunteer time, earn community service credit, help out with homework, play sports, board games, do crafts, be a positive role model and mentor? If you answered yes, then please have your teen fill out a volunteer application & return it to our office. We are always **looking for teens to volunteer and have fun at our aftercare programs!** Call (631) 744-0207 for more information.

MENTORING MATTERS!

NSYC Student Assistance Counselor, Jamie Adamski and her Assistant Principal, Courtney Herbert, have been chosen to present at the Mentoring Matters Conference sponsored by the Mentoring Partnership of Long Island.

Their workshop is called “Coordinating a Mentoring Program: From A to Z”. From **A**ccepting that there is a need, to the **Z**est for helping the program succeed, the workshop will cover how to **B**egin, **M**aintain and **eX**pend a mentoring community.

Mrs. Adamski and Dr. Herbert facilitate the M & M Mentoring Program at the FJC Elementary School and are eager to share their experiences with others who believe as strongly in the benefits of mentoring.

Thank you Mrs. Adamski and Dr. Herbert for your contributions to this important topic and congratulations on being chosen to present! We are truly proud to have such amazing people working in our community!
